DEDICATION

May your life be enriched by the hours of successful work and play at Warrenton Hi, the school that has weathered 22 years of sunshine and victory and has emerged victorious. Your victories are recorded in your 1949 annual.

- Betty Jean Waite

We, the Students of Warrenton High School,
dedicate this Warrenton Warrior for 1949 to Miss
Betty Jean Waite, our true friend, our real pal
and our competent and efficient teacher.

THE WARRENTON WARRIORS

Class of '49

by Mabel Wiley Rostwold

Shall I tell you in rhyme, of the School Spirit dears?
How I loved Alma Mater, those wond'rous four years?
How my heart gets a thrill, as I root for them still,
When the WARRENTON WARRIORS on the ball field appears!

Football, Basket and Volley, Softball and Baseball
How we screamed and we sang and we ray'd for them all
How we fought for each game as we lifted our name
Still another grade higher each year, I recall.

Now the clubs, there were many, The Glee; the Try-Y
The Letterman's; League; Radio; Pep; my oh my
That last one of course always brought me home hoarse
And the songs and the yells, I'll retain till I die.

Operettas and plays, were the worst chore of all
How it taxed my poor memory, I now recall
And we looked mighty sweet in long gowns to our feet
At the prom and the banquet and each Christmas Ball.

'Member how our school paper popped open the lid
Just to tell all the secrets you'd like to keep hid?
There were gat parties too, and carnivals woo-woo!
'Member skip day and all the fine things that we did?

They were golden, bejeweled; those four wond'rous years
And twill e'er warm my heart, when I hear the old cheers;
In old Class '49 they were all Pals of mine
Farewell; beloved class-mates, school is over, now my
dears;

They're over, they are finished--dear school days
goodbye;
Sad, the tears fain would fall as I heave a big sigh;
Next to Heaven and home and wherever I roam
'Tis my dear "Alma Mater" I'll love till I die.

AND THE FACULTY ATE- -

The Faculty and their wives and husbands, met at the Marquee' Restaurant Wednesday, May 18 at seven p.m. There were twenty-nine goodlooking folks present!

Mr. Moberg gave the Blessing, after which everyone really'went to town'on fried chicken and the trimmings. (Eaten the unanimously approved way---)

Mr. Dent was prevailed upon to give a few words and in a light hearted and jovial manner started the series of short and interesting speeches which followed. (Only men talked!)

All in all, it was agreed, the idea of the get together was an excellent one and it is hoped similar plans will be made next year.

COMMENCEMENT

Commencement services were held in the high school auditorium, May 26, 1949 at 8:00 P. M. for nine boys and seven girls. The Seniors in their alternate colors of blue and white caps and gowns marched up the aisle to the beautiful decorated stage.

Mr. Roy E. Cannon, Superintendent of Schools, at Portland, Oregon gave the Commencement Address, speaking on "If I Were Twenty-one." The High School Glee Club sang "Green Grows the Liliacs," and Loren Marsh, Beverly Summers, and Delores Brim sang "Sing Along."

Sidney Stuller gave the Valedictorian Address, basing his talk upon "Out Of The Safe Ports Into Rough Waters." Shirley Magnuson, as Salutatorian, gave greetings to the audience and farwell to the High School.

Mr. Moberg gave the Invocation and Benediction, and the services were concluded by the entire congregation singing "Farewell to Warrenton."

Delores Wallace

SENIOR CLASS WILL

We, the Senior Class of 1949, do make, publish and declare this to be our last will and testament.

To the Faculty, we bequeath appreciation for a task well done, and the memory of many pleasant hours spent together, especially during the examination periods.

To the Juniors, we leave the renowned and dignified title of "Seniors" and the front rows of seats in assembly.

To the Sopnomores, we bequeath our surplus brains in hopes they will use them, and our dignified ways.

To the Freshmen, we leave our ability to stick together through thick and thin and some of the beams of our radiant faces so there will be some brightness left in the school.

As individuals of this so honorable and illustrious class, we do dispose of our many belongings in the following manner:

Lucille Buchanan, leaves her artistic ability to Bill Lordos, who should do more drawing and less talking.

Betty Goodrich, leaves her ability to attend school every day of the year to Gwen Maize (she need it).

John Byrd, bequeaths his hair to Mr. Dent.

Velma Kerr, leaves her freckles to Joanna Ward, and disposition to Carol Peoples.

Ansel Lahti, leaves his ability to own a smooth running car to Bud Ragland, who needs one.

Martha Wiley, leaves her ability to kiss the leading men in all class plays to Arvella Karnes who has a good start.

Beverly Scrimsher, leaves her ability to sleep in Mr. Dent's Social Economics Class to anyone lucky enough to inherit it.

Vernon Hart, leaves his speed in football to Harold Brodrick.

Delores Wallace, leaves her ability to go steady with a football hero to Jo Ellen Nichols.

John McDermott, bequeaths his ability to skip school to anyone who can get away with it.

Shirley Magnuson, leaves to Russell Packard pleasant memories.

Dale Cochran, leaves his way with women to Donnie Whetsell (he could use it).

Sam Moore, leaves his whiskers to Bobby Wilson.

Sidney Stuller, bequeaths his quiet studiousness to Charles Hansen and Fred Hoover.

Bill Hayes, leaves his ability to call football signals and dainty stride to Keith Dyer, and unlimited vocabulary to Billy Coffey.

Howard Jensen, leaves his ability to get married to Carolyn Summers and Basketball position to Alfred Olson.

Lastly as executor of this last will and testament, we duly appoint, Miss Betty Jean Waite, our class advisor.

In witness, where of we, the Class of 1949, have hereunto placed our hand and seal this 26th day of May in the year one thousand nine hundred and forty nine.

CLASS HISTORY

In the year of Our Lord, nineteen hundred and forty-nine, sixteen Seniors will be walking out the doors of dear old Warrenton Hi.

Of the thirty or thirty-five first graders who started here in '37 only four, Bill Hayes, Vernon Hart, Shirley Magnuson and Beverly Scrimsher have remained to the end. The rest of the present Senior Class has joined these either in grades, or in high school, and we will all miss the many happy days spent here.

After starting school, and going through the usual trials and tribulations of elementary students for eight years we graduated, what we then thought was a great day. It was then that our worries really began. We started as Freshmen in the year of '45 with many new friends and foes, There were twenty-eight scared and bewildered students in the class but with the help of our advisor, Mrs. Carl Nydeggar, we managed to survive.

The next year we thought we were used to all the tricks and rules, but we were still lower classmen and learned differently.

We enjoyed all the ball games and, since it is a tradition of W.H.S., we found ourselves decorating for the Jujior Senior Prom.

'47 found us as Juniors! Upperclassmen! The biggest event was the Prom. We took the Seniors to dinner at the

Marquee, and afterwards attended the Prom, which was held in the gym.

1948, 19 dignified Seniors enrolled in school. Our first activity was the Christmas Ball, and since this was the last one we would be in charge of we took great pains in decorating and making it a success. Our class play "Miss Jimmy", our Halloween party, and skip day were also successful.

Next to come is the Prom which is scheduled for May 6, which we are looking forward to and with the wonderful help of our advisor Miss Waite, we are well on our way to climb the ladder of Success.

Now as I come to the close of our class history, I would like to take this opportunity to wish the best of luck to our Alma Mater and those who are remaining along with the new ones to come in the future.

Beverly Scrimsher

BACCALAUREATE

The 1949 Baccalaureate service was held on the twenty-second day of May at the Warrenton High School Auditorium. Mr. James Moberg gave the Invocation for the Ceremony. The speaker was the Reverend John O'Callaghan of St. Mary Catholic Church in Astoria. Father O'Callaghan spoke on "AMERICANISM IN EDUCATION".

The Auditorium was beautifully decorated and a large crowd was present.

Sidney Stuller

SENIOR CLASS PROPHECY

While glancing through my correspondence for the love lorn column one morning, I came upon a familiar looking hand writing. I tore open the envelope and sure enough it was a letter from one of my old classmates Dale Cochran.

I read: Dear Martha, I am in desperate need of your advise—. I read on, Dale was asking for advice all right but not about love. He was writing a book called "Life as we Live it", and he needed some new ideas. He thought perhaps I might be able to help as I had some experience in writing.

My writing was a little different from what he wanted to do but I might think of something to help.

As I gazed around at my luxurious New York Office I thought, now how did I get the knowledge for my profession?" Then the answer came to me, "By traveling and direct contact with different people." Of course, that is exactly what he must do and since I had been wanting a vacation I would go with him. It would be nice to see my old classmate after ten years. Maybe we could revive some of the good times we used to have.

A few days later found me at Dale's home in Richmond, Virginia. I found that he had done quite well for himself and was famous for his political and newspaper work. Now he wanted to try something different.

We decided to start out immediately in search of original ideas for the book.

Arriving in Philadelphia we were surprised to find the streets crowded with people, and everyone appeared to be quite excited. Elbowing our way to the front of the crowd we were surprised to see one of our classmates, Lucille Buchanan, standing on a soap box giving a dynamic and pulsating speech, on what she would do if she was elected President of the United States. She was trying to convince the people that if she was elected the would would soon be a modern Utopia.

That evening as we were dining with Lucille in her fashionable home she told us that she had given up her former artistic career to become President of the United States, as she wanted her country to have the best of everything.

Lucille had not found a man she considered worthy of her so she had decided to devote her life to the betterment of her country.

After promising Lucille that we would vote for her we again started on our way to Chicago. It was such rough traveling in Dale's jeep that we decided to go through Detroit first to buy a more comfortable automobile.

Our first stop after we bounced into Detroit Michigan, was at the large Lahtiac factory. We had heard of the famous new car but as yet had never seen one. As we wanted immediate delivery we were sent to the President of the company, who was at the time, in the plant.

A guide led us through the monstrous factory and left us at the entrance of a large room filled with new cars. We looked around but saw no one that could possibly be the

President of such an establishment. Finally Dale strolled up to the nearest car from under which a pair of legs were protruding and asked them if they could direct us to the big boss.

The body belonging to the legs slowly drug itself out and we gazed into the face of Ansel Lahti. After much hand shaking and back slaping, Ansel informed us that he was owner of the Factory. Of course we didn't have to ask why he was working on the cars along with his employees, as no amount of wealth could change Ansel. He was willing to do his share and never think himself any better than the next person.

Ansel took us on a tour of his huge factory and told us how he had decided to go into the business. He had so many wrecks himself that he decidet it would be much better to go into the automobile industry himself so he wouldn't have to buy so many new cars.

The Lahtiacs were now very famous and noted for their endurance.

Ansel was very enthusiastic about our plans and did his bit to help us by giving us immediate delivery on a Lahtiac convertiable. With Ansel's best wishes we started for Chicago.

Driving down the streets of Chicago we sighted a familiar name in lights above the Civic Auditorium. It was the name of Professor S. T. Stuller. As there was only one S. T. Stuller t that we knew of, we decided to attend the lecture and once again hear our favorite speaker classmate Sidney.

We were very glad that we attednde as Sidney gave a lecture

full of spizerinctum. The lecture was on "Individual Responsibility". We learned that Sidney was now a famous professor at the University of Chicago.

We couldn't stay long as my job demanded my attention as soon as possible. We journed onward to St. Louis where we stoped to cash a check.

The check was large and as we were not known in that city, we were having difficulty getting it cashed. We were in the midst of quite an argument with the bank President, when in strolled a very beautiful and well dressed woman who we recognized as our classmate Beverly Scrimsher.

The argument immediately ceased and we exchanged fond greetings, after which Bev introduced as her husband the man with whom we were arguing so heartedly.

Naturally our check was chshed and we were invited to dine at their home that evening, where we met Bev's two lovely children.

Declining her invitation to spend a few days, we reluctantly continued our journey, which took us towards New Orleans.

As neither Dale nor I had ever been here before we decided to thoroughly investigate the town. We were sauntering down the street when we ran into our good friend Shirley Magnuson. She looked very angry and after greeting us, we ask her what was wrong.

Her twin daughters had a tendency to stray from school once in a while she told us and right now she was looking for them. Dale and I just couldn't help but laugh as we remembered

that Shirley had been the same way in her school days.

At first Shirley seemed rather angry with us but being good natured she soon saw the humor in it and we all enjoyed a good laugh together.

Shirley was now Mrs. Jack Irvin and was very happy in her little bungalow with her twin daughters and adorable little boy.

We spent the next two days visiting with Shirley because as usual she had a lot to tell us.

We drove to Mexico and in one of the large cities found ourselves caught in a traffic jam, since there was nothing else to do other than follow the crowd we found ourselves forced beyond the city limits. We finally stopped outside a huge stadium. We decided to make the best of it, so after purchasing tickets, we went in to enjoy what we thought was to be one of the famous bull fights.

After getting settled in our seats we turned our attention to the center of the stadium and there before our eyes was the strangest sight we had ever witnessed.

Twenty two Mexican jumping beans were preparing to play a game of football. As we gazed in wonder upon this strange sight we saw the coach saunter out to give last minute instructions. Suddenly Dale yelled, "Look, that walk! Where have I seen it before?"

Sure enough the walk did look familiar, it was not a stagger or a strut, in fact it was undefinable, but we both

knew that there was only one person it could belong to. So after the game we rushed to the dressing room to greet William Erwin Hayes Jr..

Of course he was glad to see us(as we can't imagine any one who wouldn't be) but as usual he didn't express his joy.

Bill was doing good in his business and becoming famous by teaching the jumping beans to play football.

That night Bill, Dale and I went out to celebrate and had a joyous reunion.

The next day we again started on our way feeling terrible, because we were leaving.

When we stopped in Los Angeles to buy a new hat for Dale, we noticed a large crowd gathered around a booth in the center of the store. This we could not understand as people would storm angerily up to the booth and soon afterwards would walk calmly away apparently satisfied.

Being curious as to what soothed their spirits so quickly we went over to find out. There stood Velma Jean Kerr another of our classmates of '49. She was taking care of the complaint department, the job that was most appropriate for her as she has had a lot of experience at it.

Velma had not as yet married. Of course the chances had been numerous but she always gave some excuse as she enjoyed having no attachments. As the line of people was getting rather long and angry waiting, we decided it would be best to leave.

Driving on we noticed a soldier standing by his jeep,

waving frantically for us to stop. The jeep merely had a flat tire but it seemed he was driving an important officer to Fort Ord and it was imperative that he get there immediately.

Being very patriotic we of course were glad to oblige. However we were unprepared for the shock we received for the officer was none other than our old friend Roy Duncan. We never dreamed that he would some day be a major in the United States Army.

We reached Fort Ord all too soon and our visit with Roy came to an abrupt end, however, he promised to keep us posted on his whereabouts.

Dale being a gambler at heart, then decided that we must go to Reno. I left Dale outside of a gambling casino and walked off to do some shopping, promising to meet him later that afternoon. At nine-thirty that night I was still waiting impatiently in the hotel lobby for Dale when two men came in the door loudly relating a baseball game between—yes—Warrenton and Westport. I looked up and there was Dale talking with our ex-baseball pitcher, John McDermott.

John was now a wealthy play boy. He had been interested in a certain beautiful blonde debutante for the past two weeks and had just discovered that she had a very jealous husband. Dale found him beating all the roulette wheels and he had just finished cleaning out the card games just because he was feeling blue. He immediately brightened up and decided there were still hundreds of beautiful girls who would appreciate him even if this one didn't.

Upon inquiring about the blond we learned that it was none other than Betty Goodrich, our very dear friend, that had broken John's hart. The jealous husband was Bob Black, who had been Betty's old heart throb back in our school days. With John's help we then looked up Betty and Bob and found that they were the proud parents of five lovely children.

By this time John had already found a new interest in a gorgeous auburn haired dancer. As everything turned out fine we went on our way feeling much better.

As we were motoring through the desert lands of south eastern Oregon, on our way to Corvallis we were brought to a sudden stop when a bullet punctured one of our back tires. Dale and I both jumped out to see what was going on. I was examining the tire when up rode a real live western bandit (and I had thought those creatures were extinct). I was just about to let out a horrible scream when the ferocious bandit let out an exclamation of recognition.

I didn't recognize him under his long beard but when he spoke I knew instantly that this was John Byrd of our class of '49. I had no idea that he had taken all of those western stories seriously. John was now known as The Robin Hood of the West. I turned around to speak to Dale but he had mysteriously disappeared. After searching for a half an hour, I found him hiding under the car, trembling with fear. Finally I persuaded him that he wouldn't be hurt and he reluctantly crawled out and meekly greeted John. After I

had fixed the tire we again started off with Johns apologies for the tire.

We stopped in Corvallis where Vernon Hart was coaching at Oregon State. At his home we were greeted by Mrs V. R. Hart, the former Delores Wallace. We discovered that they now had an eleven man football team of their own with three charming daughters as cheer leaders. All of this was made up of little Harts (Delores really had a lot of little Hart troubles).

There wasn't room in their hotel for all of us so Dale and I drove on.

There were only two members of our Senior Class that we hadn't seen on our journey so we decided to visit our old home towns of Warrenton and Hammond to see if we could find any trace of them.

Arriving in Warrenton we found that everything was about the same except for quite a few new people. However as we passed the Service Garage we saw a very familiar Model A sitting dejectedly in front. It must be very valuable as an antique by this time. Upon investigating we found Sam Moore in the garage getting prepared to continue working on his beloved Model A. He told us he was really a rich man as his car was the only one of it's kind still in existence and worth millions of dollars. He couldn't stand to part with his car so he just dreamed of what he could have and didn't bother to cash in on his valuable possession.

Sam told us of the excitement that was going on in

Hammond because of a great project that was being worked on. Naturally we decided to see what it was all about. Arriving at the scene of the excitement we found that Howard Jensen was digging a canal, which was to extend from the Pacific Ocean to Lake Superior. So far he had only reached Coffenberry Lake but after all he had only been digging for ten years.

We spent the evening at Howards home with Bernice, him and the three little Jensens. As it grew late we decided we must start on our journey back to our long neglected positions. Our parting words were, "Keep digging Howard, you'll get there someday."

We had an enjoyable but uneventful trip back. When we reached Richmond, Virginia, Dale Directed me to his beautiful plantation home. It was just what you would imagine, a large white southern mansion, on a hill overlooking the mountains in the west.

I ask Dale if he had found sufficient material for his book and he calmly informed me that he had given up that idea long ago but that he would spend most of his time here as it was isolated and he seemed to enjoy solitude(he certainly had it, as he lived all alone in that large house).

When he told me that he enjoyed solitude I took that as my cue for exit.

As I drove down the drive I looked back to see Dale standing on the lonely veranda watching me go.

Arriving in New York, I, Martha Wiley found my column

in a terrible state of confusion. So tired but happy I settled down to catch up on my neglected love-lorn column.

Martha Wiley
and
Dale Cochran

SKIP DAY

It was a foggy Monday morning, April 18, 1949, as fifteen hardy Seniors started out on our "Skip Day".

We started out in three different cars, Vernon (of course miles ahead), Ansel coming in second and last but not least Dale!

Our first stop was at Rockaway, where we found the skating rink closed, and since we had to do something to keep ourselves amused we moved on to Twin Rocks. Finding nothing there we decided to go back to Short Sands Beach. There we settled for most of the day. In the afternoon all of us were very tired especially Beverly who had walked down to the beach too many times.

On the way back we decided we would eat at Cannon Beach. We had a very good dinner, and were stuffed to the brim.

We decided to wait at Betty's house until time to go to the show. While waiting a few of the brave ones of the class Beverly, Velma and Ansel decided to go skating, while the rest of us grateful for a chance to sit down, went to the Show.

After all was over we heaved a sigh of relief over the very eventful day and went home gratefully.

Shirley Magnuson

* S E N I O R C L A S S *
R O L L C A L L

Marian Brons, is a dependable gal
And consequently makes a very good pal

Lucille Buchanan, is superb in Art
As a matter of fact, she's very smart

John Byrd's no drip, that's for sure
But that English Class, he can't endure

Betty Goodrich, is blond and short
And on the boys, she gives good report

A great big fellow, is Vernon Hart
He has most fellows beaten, from the start

Bill Hayes, at Football is keen
He's also Captain of the team

An actor, and a Hammond resident,
Is Dale Cochran, our Class President

Howard Jensen, is quite a Joo
And take it from us, he ain't no schmoo

Evonne Jylha, to Warrenton trails
It's from Tombstone (Astoria) that she hails

Volma Kerr, a senior lass
Is the peppiest gal, we have in the class

Ansel Lahti, is Hammond bred
He's pretty lively, or so it is said

Shirley Magnuson likes school, we assume
She also likes to play Bride 'n Groom

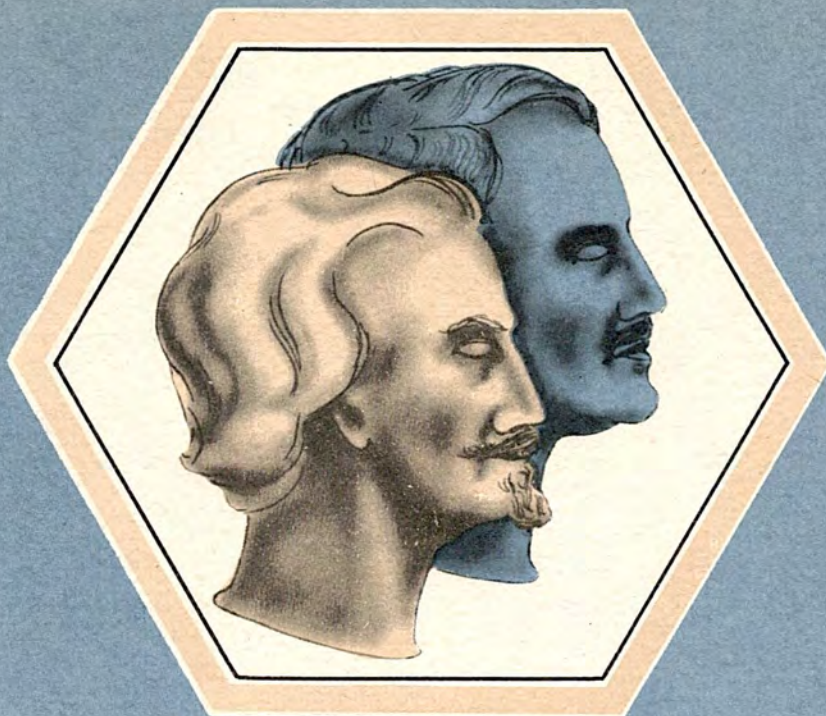

John McDermott is an out of town fellow
He thinks that high school is really smell-O

Sam Moore can raise quite a beard
He likes to keep his face with whiskers smeared

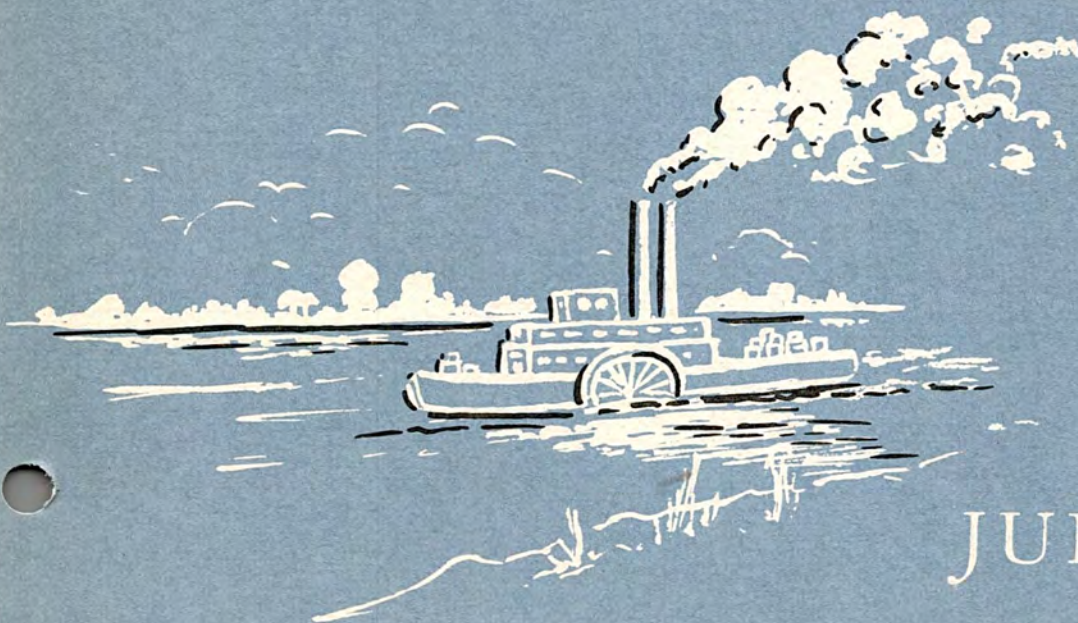

Bev. Scrimsher prefers hair that is wavy
She really goes for the U.S. Navy

Delores Wallace has pretty blonde curls
It is said that she makes Vernon's head whirl

Stuller and Wiloy are to blame for this crime
But let's see YOU make these (*!@?) things rhyme.

JUNIORS

Senior Class

Junior Class

JUNIOR HISTORY

On September 18, 1946, Warrenton High School was honored the entrance of the Class of '50. A prouder or more active class has never entered old W. H. S.

The Sophomores, true to form, tried to break this proud spirit, but after a week of trying every trick they knew they gave up and the Class of '50 became full fledged students of Warrenton High.

Professor Gillett was appointed advisor and guardian of this ever aggressive class. Elections were held and the following people were elected to office:

Don Whetsell---President
Doris Dunn---Vice President
Nellie Nichols---Secretary-Treasurer

Having taken care of the business end of their first year of high school, it was decided that we would present a play. "The Adventures of Tom Sawyer" was chosen and on May 11, 1947, the students, faculty, and towns people were pleasantly surprised by the remarkable job this unexperienced class had done.

As the school year came to a close we looked back on the days and nights of fun we had during our first year at Warrenton High.

The second year in high school went much faster for the Class of '50.

Mr. P. W. Lane, the Principal, personally adopted us as his responsibility although Coach White was chosen to be our advisor.

JUNIOR HISTORY (CON'T)

We elected the following officers:

Don Whetsell----President
Bud Ragland----Vice President
Nellie Nichols--Secretary-Treasurer

During the second week of school we handed our orders to the incoming Freshmen and had our first taste of power in initiating them.

We decorated for the Junior-Senior Ball and showed much activities during our Sophomore year.

As Juniors we breathed the free air of upper classmen. We elected officers. They were as follows:

Don Whetsell---President
Bud Ragland----1st Vice President
Beverly Summers--2nd Vice President
Lillian Johnson--Alternate
Lillian Johnson--Secretary
Naomi Bridges----Treasurer

Mrs. Gibson was chosen our class advisor.

We took up the sales of ice cream and sponsored a March of Dimes dance. The biggest event was our play "Don't Darken My Door". The cast was well chosen and under the direction of Mr. Dent, the play was a success,

Plans are being made for the Junior-Senior Banquet. to be held in May.

Growing in Power and Wisdom each day it is inevitable that, in one year, when we graduate, the school will have lost one of the best classes to pass through it's halls, the Class of '50'.

Don Whetsell

JUNIOR CLASS ROLL

Gloria Nichols will gain fame
an old age pension is her aim

Jack Rogers ought to have a harem,
loves all the girls and doesn't scare 'em

Lillian Johnson, a red haired queen
at giving yells, she's really keen

Gary Walker's called, 'The Gallopin' Goose',
I wonder if he'll be allowed to run loose

Carolyn Corkill is her name,
but we call her "Corky" just the same

Ronald Marsh will no doubt go far
if he can use his father's car---

Beverly Summers, a Junior class pet,
she made a good Editor, you can bet

Bobby Wilson, a good yell king,
he really makes that old gym ring

Gwen Maize by some is considered insane
for soon she'll be going down honeymoon lane

Norman Doney is tall and dark,
with certain girls he likes to park

Betty Lou Nelson is quite a gal,
tho seldom at school she's everyone's pal

new to Warrenton, is John Rice,
but we have found him very nice

Good humored, sweet--and happy too
is Nellie Nichols, one of the few

Buddy Ragland, a curly haired guy
sits in his Chev. while girls go by

A cute Junior girl is Harriet Chase
for all the boys she sets the pace

Russ Packard is very polite
a Senior girl is his delight

Julie Olson has skin lik a peach,
She lives far away on Sunset Beach.

Don Whetsell, didn't have much to say,
When he kissed Rosemary in our Class Play.

Naomi Bridges has big blue eyes,
And knowes how to roll'em at all of the guys.

A singing lad is Loren Marsh,
To Nellie Nichols he never speaks harsh.

Billy Coffey is a real swell guy,
When with the girl's he's not so shy.

If someone asks, "Who wrote these yarns?"
Put the blame on Arvella Karnes.

ONE MORE YEAR

There is excitment in all the schools
It is spring, graduation day is near
For the senior's, High School life is o'er
But for us, just one more year.

We have waited, planned and dreamed
For the chance of a life's career
May our hopes and dreams come true
At the end of one more year.

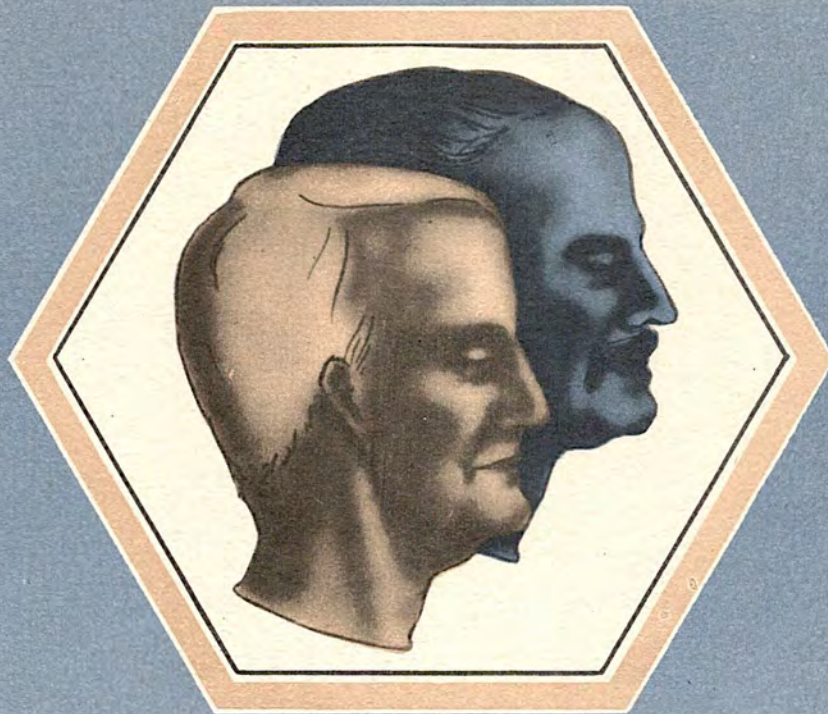

When our graduation day arrives
And all our mistakes are clear
We may breathe a silent prayer, and say
I wish I had one more year.

I know that when the year rolls around
And we must leave all that is dear
Another class will dream and plan
And wait, just one more year.

Don Whetsell

GIRL TROUBLES

The Junior Class was having trouble with it's girls as
over half of them seemed incline to marry young.

PASTEUR
EDISON

SOPHOMORES

Sophomore Class

Freshman Class

SOPHOMORE HISTORY

On September eighteenth, nineteen hundred and forty-eight, we began our second year at W.H.S., with an enrollment of thirty-three. Class officers were chosen as follows:

Eugene Gray-----President
Jim Hudelson-----Vice President
Elmer Plummer-----Secretary
Albert DeHaven-----Treasurer

The class has many goals to achieve in the next two years, and at the present, it is our main ambition to pass as Juniors in the Spring. We are not going to follow in the footsteps of the Juniors this year; but we are going to set a new precedent. As scholars, our records are very good, and it our aim to keep them so. Just because we are Juniors next year there is no reason that we drop our ambitions with our promotion, but there is a reason why we should increase our energy and desire to be good students and help set an example for the young freshmen that are to enter school next fall, as they look to the Junior for help, and by being good examples, we not only help them but ourselves as well.

We have taken an active part in many activities. At the first part of the year, we, with the Senior Class, gave a Halloween party for the football team and students from Sacred Heart Academy, of Tillamook. Our class advisor is Mr. White, and we sincerely hope that our other two years in high school will be as successful as this one has.

Pearl Klein

SOPHOMORE ROLL CALL

Shirley Combs has bright red hair,
And for the boys she does not care.

A sophomore lad is Charlie Hansen,
the freshmen girls think he's mighty handsome.

A cute little gal is Marjorie May,
Instead of studying she'd rather play.

Keith Dyer is a guy with a pretty big line,
But Gladys says "Hands off! He's mine!"

A horse-lover is Buddy Plummer,
So you can guess what he'll do this summer.

We think that Lawrance Corkill's pretty fair,
But for a certain eighth grade girl he does care.

Gerald Alsman is our score keeper,
And you'll find with his studies he's no sleeper.

Frances Bjornstrom is a theater gal,
So you can see why she's everyones pal.

Bob Christensen, a noisy young lad,
Is sometimes good but usually bad.

Who's the sophomore girl who sings so sweetly?
Why everyone knows, it's Delores Wheatley.

What's this we here about Albert DeHaven?
Has he been misbehavin'?

A professional woman killer is Dewey Dunn,
If he's coming your way you'd better run.

A football player is Fred Jensen,
The size of his feet we dare not mention.

Sharlie McConnell will someday fall,
For a nice young lad who's six feet tall.

Gladys Nygaard is not so tall,
But she surely handles a volleyball.

A hard worker is Dick Williams,
If he keeps on he's sure to make millions.

SOPHOMORE ROLL (CON'T)

If you get your history answers from Betty Armstrong
You can bet your buttons they won't be wrong.

Frank Braley has black wavy hair,
He'll win a pretty gal, I do declare.

Bill Coultas is really a card,
To crack a joke is not so hard.

A bright young lad is Weldon Lee,
He's quite a dream, as you can see.

Barbara Fisher is liked by everyone,
She always giggles and has such fun.

Crew cuts are Fred Hoover's specialty,
He doesn't give a hang about looks or formality.

Our class president is Eugene Gray,
He writes so small as the teachers all say.

Pat Riley comes to class late,
Was he delivering papers or was it a date?

James Hudelson likes to play basketball,
He's good at it because he's so tall.

Bill Lordos is a basketball star,
And his friend named George has a mighty nice car.

Harley Crowder's not really dumb,
He just studies so much his brain gets numb.

Jim Mattson sits in the back,
But in brains he does not lack.

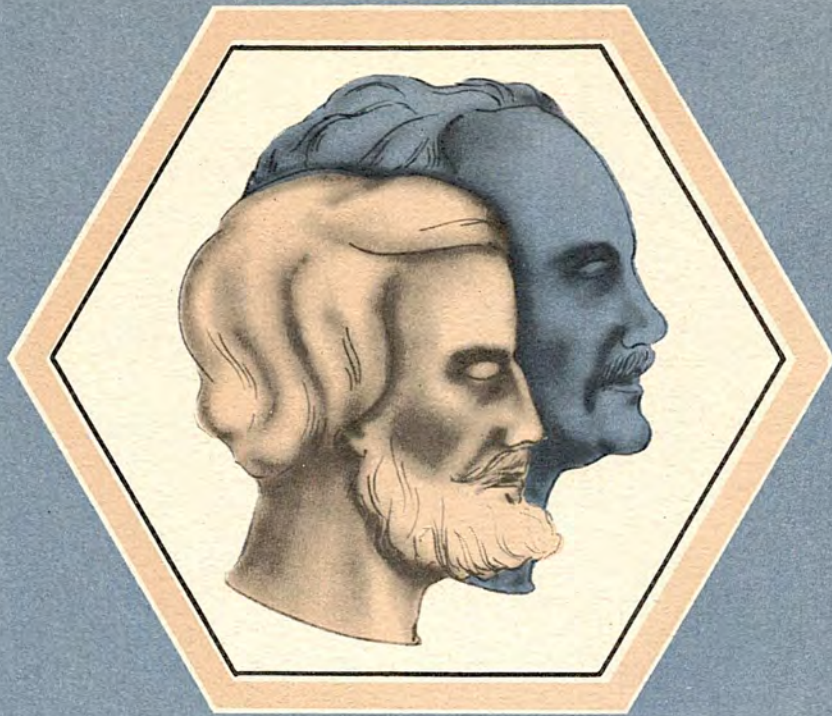

Merna Curnow says she'd rather "free lance",
It's much more fun when you go to a dance.

Rosanna Smith, said one observer,
"In volley Ball, is the best server."

Betty Bennet seems to be,
A pretty nice girl, if you ask me.

Full of mischief and full of pranks,
Our friend Zelma, highly ranks.

I just can't seem to make these verses rhyme,
So I'll just sign my name--Pearl Klein.

LONGFELLOW
HAWTHORNE

FRESHMEN

FRESHMAN CLASS ROLL

Virginia Christensen is good at cooking,
And for a new sweetheart she is looking.

Donna Fenton is a cute little gal,
And Russ Packard is her favorite pal.

Julia Corkill is the kill of a party,
And in her grades she is a smarty.

Mr. Dent's pet is Sarah Gray,
In the office she is made to stay.

Alice Shawcross is one of the twins,
For Charlie Hansen she was on needles and pins.

Ann Shawcross is the other twin,
For Jack Hitchman she's always trim.

Jeanie Templeton as we all know,
Every night has a different beau.

A cute little check is Jo Ellen Nichols,
And with the boys she's awful fickle.

Marilyn Peterson is often called "Kitten",
By Bud Plummer is always sitten.

Carolyn Summers is a Freshie chick,
And with "Shacky" she does click.

A basketball player is Richard Davis,
At the games he's the one that saves us.

I know a boy named Ronald Doney,
And with Virginia he's a phoney.

Colleen Kelley is an Irish lass,
With a great big smile and ear piercing laugh.

A southern belle is Johna Lou Ward,
With Robert she is never bored.

Delores Kumpula, our cute little blonde,
Of one certain soldier she's very fond.

Bill Bjorkman studies hard,
To get good grades on his card.

Harold Broderick, a Hammond lad,
In his classes he's never glad.

Richard Ford, the Freshman smarty,
Wherever he goes there's always a party.

Delores Brim, a Freshman gal,
For Donald Hawks she's quite the pal.

Frances Combs, our red-haired lass,
Doesn't look at the boys in the class.

Elfrieda Wildgrube is slightly skinny,
But when out with boys she's no ninny.

Carol Peoples is quite the gal,
When out with Allen A-----Wow!!!

Donald Neal, the guy with dimples,
For him to get a girl it's quite simple.

Donald Hawks, the man of the class,
Is always looking for some new lass.

Ted Lane, a football star,
Is always gadding in someone's car.

Fred Brons, who wants to be a farmer,
Would never do for a city girl's charmer.

James Wakeman is tall and lanky,
Is very seldom mad or cranky.

Ronald Reeves is quite an artist,
Out of the kids he's the smartest.

Neil Mondenhall likes to stare,
In school at the girls he thinks are fair.

Darrell Walker appears rather shy,
But when out, Oh my! Oh my!!!

Robert Salmi is quite a flirt,
He looks at anything that wears a skirt.

Floyd Hartley likes to play hookie,
Most usually with some cute little cookie.

Allen Ryding is as meek as a lamb,
But tries to act like Superman.

George Soukkala is the teacher's pest,
Just tell a wise crack, he'll do the rest,

A Freshman boy is William Rice,
Get to know him and he's really nice.

Richard Martin is short and stout,
When around him, you'd better watch out,

Micheal Murphy, the Irish lad,
May be mischievious, but not really bad.

If you're tired of reading all this junk,
Just come to Nancy Hensley to say that it stunk,

FRESHMEN HISTORY

September seventh, nineteen hundred and forty-eight, forty students entered Warrenton High School as Freshmen.

The Sophomores greeted us with the traditional Initiation, which lasted one day. The girls had to wear men's bathing suits, T-shirts, bare-feet, or wear men's shoes, and have their hair done up in twelve braids, each with a different colored ribbon. The boys had to wear girls's bathing suits, long stockings, high-heeled shoes, and pin-curled hair. All freshmen wore peeled onions around their necks. The sophomores put make-up on the boys after they came to school. That night Initiation was held and a dance afterwards. We were then full-pledged high school students.

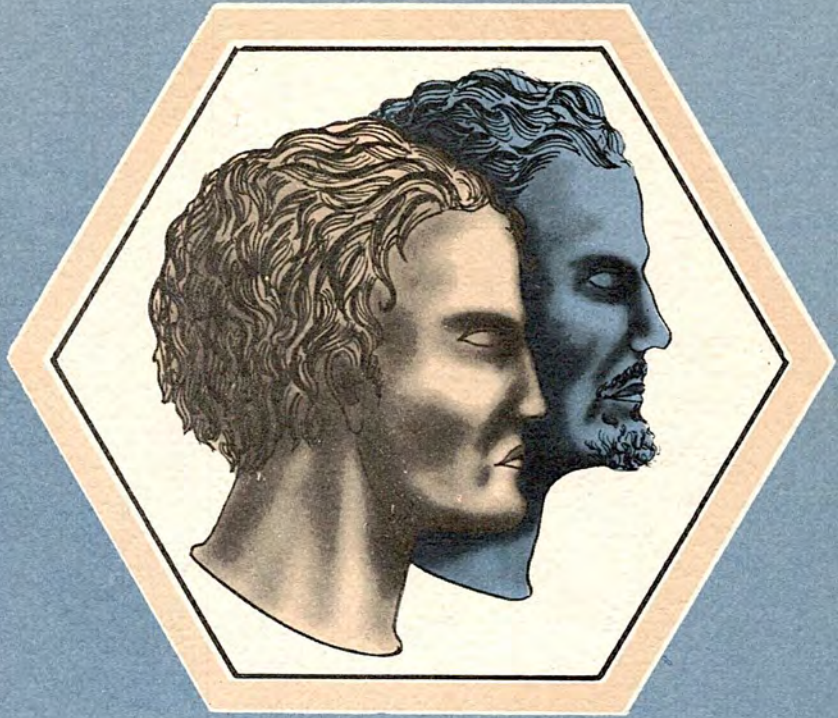

After we recovered from Initiation, we elected class officers. They were:

President - Ronald Reeves
Vice President - Floyd Hartley
Secretary - Jo Ellen Nichols
Treasurer - Nancy Hensley

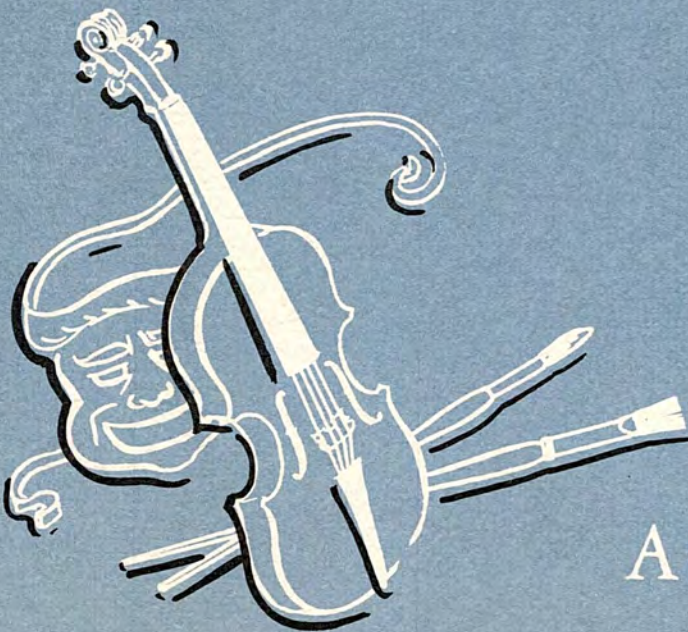

Beginning the second semester, the freshmen class was divided, due to the large number of students.

BANQUET AND PROM

The annual Junior-Senior Banquet was held this year on May 6th, at the Marquee Restaurant, at Gearheart, Oregon.

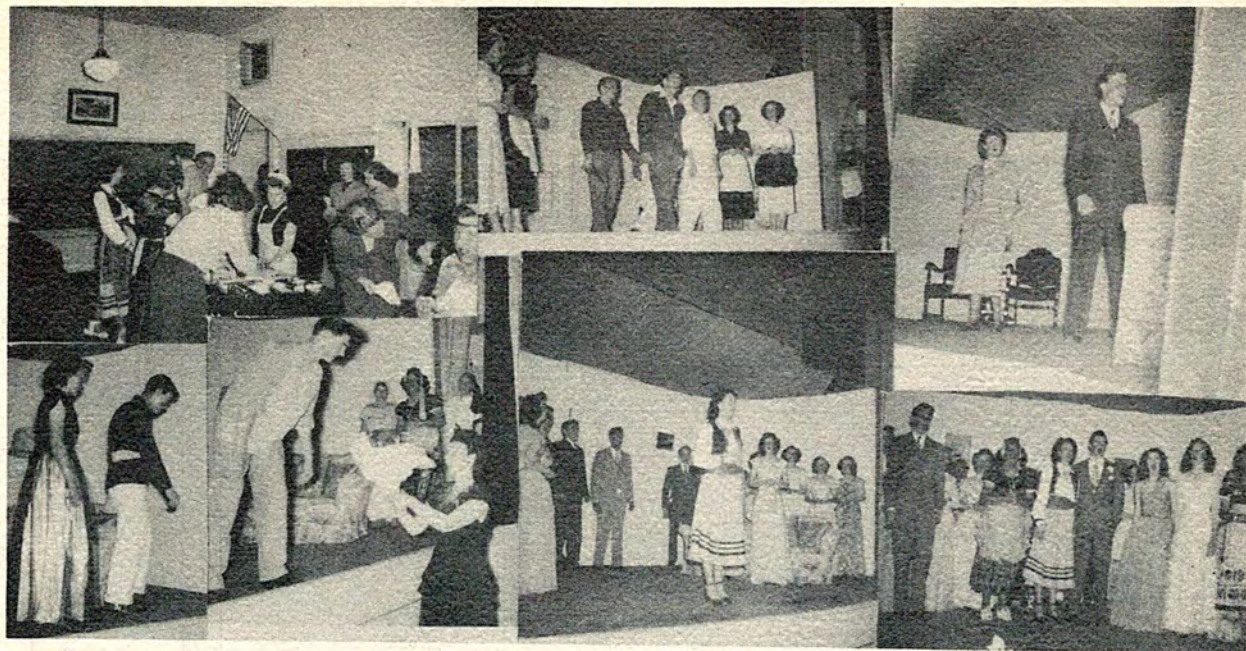

The Junior Class gave the banquet in honor of the Senior Class. There were 46 Junior-Senior Classmen and faculty members present to enjoy the delicious turkey dinner.

The welcome was given by Don Whetsell, Junior Class Pres., and the response by Mr. Dent. The Senior Class Will, History, Prophecy, Roll Call, and a surprise poem were read and provided the entertainment until the dinner was over. After the banquet everyone returned to the school gym for an evening of dancing at the School Prom.

The theme for the prom was "Cruising Down The River." The gym was decorated like a ship with life preservers around on the walls. The rhythm Aces, who furnished the music for the prom, were seated behind dock piling covered with fish nets and glass balls.

The prom really got under way after the Grand March which was led by the Senior Class.

Gloria Nichols

Opretta

The oppretta WILD ROSE was presented to the public on the first of April, by the music department of the High School.

The cast was made up of seventeen speaking and solo parts and thirty choras roles.

The plot centers around a Gypsy Queen that had exchanged her daughter with that of a wealthy lady, years before.

The action was the untangleing of the mess and the begaining of several romances.

It was a splendid picture of the colorful, dashing gypsys and their way of living.

The main speakers and solo roles were carried by Martha Wiley, Nancy Hensley, Delores Brim, Nellie Nichols, Beverly Summers, Harriet Chase, Betty Bennett Loren Marsh, Russel Packard, Harley Crowder and James Hudelson.

WILD ROSE was directed and produced by Mrs. Inez Sandford, the director of the Music Department of the High School.

TRY-Y

Considering the fact that the girls have had to carry on without the help of a supervisor, the Try-Y's have been exceptionally active this year.

Meetings were held on the first and third Wednesday, of every month. The first big activity they sponsored was a Night Club Dance on Valentines Day, it was the first time in our history that a King and Queen of Hearts has been chosen, thus starting, a new tradition at Warrenton High School.

Nellie Nichols and Beverly Summers were selected as delegates to represent Warrenton at the state Try- Y convention in Salem. If it were possible to put a years activities into one sentence I would say, "We had many inter club functions, got togethers, conventions, gab fests and last but certainly not least, a lot of fun.

Arvella Karnes

SENIOR CLASS PLAY

"Miss Jimmy" the Senior Class Play was one of the main events of the year.

Miss Betty Jean Waite, with sparks flying from her red hair and Mr. Dent, pulling his, put us through our pace. With some determination we stepped out on the stage and put forth what we had practiced.

To most of us this play meant a great deal. It will

con't

be the last one we will ever be in as we leave our Alma Mater, each of us to our future life.

Lucille Buchanan

HALLOWEEN PARTY

The Warrenton High School Auditorium was decorated with corn stalks, pumpkins and maple leaves, by the Senior Class, on October 29, as they played host to the Student Body and Sacred Heart Acadamey.

The students were dressed in the most horrifying manners while the teachers were even worse.

Halloween games were played and then came the dancing. Everyone present seemed to enjoy the evening greatly.

Dale Cochran

BASKETBALL BANQUET

A banquet was held in honor of the '48-'49 basketball team, on April 4. A very fine dinner was served by the P.T.A., after which Coach White spoke on the team's excellent record in winning the County and District Championship. The members of the team were introduced and each made a short speech.

Other speakers of the evening were Judge Baldwin, Mr. Dent and Mr. Hudleson. Sid Stuller acted as toast master.

Others who attended were, members of the Chamber of Commerce, P.T.A. and some of the players parents.

Each player received a very nice souvenir menu, made especially for them by Mrs. White.

The members of the team wish to thank the Chamber of Commerce, Coach and Mrs. White and all the loyal supporters of our team throughout the year.

Girl's League

Try-Y

GIRLS LEAGUE

The girls have been so busy with their school work and promoting school spirit, that they have really been all out. The Girls League sponsored the Sadie Hawkins party and a pajama party and planned to have the traditional Father, Daughter Banquet. Everyone was very cooperative this year and they seemed to have a swell group of "gals" roughly speaking.

Betty Goodrich

SADIE HAWKINS DAY DANCE

The Sadie Hawkins Day Dance was held November 12th, 1948. The girls of the Girls League were the able sponsors of this amusing dance. Everyone was dressed in typical "Dog Patch" style. Some of the costumes were very original. Caroline Corkill dressed in the costume of Moon Beam McSwine. Betty Goodrich out did everyone else with a long blonde, false pigtail, fastened to her shoulder length hair. A prize was given to the Best Daisy Mae and Lil' Abner and the most original costume. The boys were not out done by the girls. They came in garbs that seemed to be more holes or patches than clothes. Everyone who attended the dance had a most enjoyable time.

Lucille Buchanan

PAJAMA PARTY

On the night of March 18th, more than a dozen girls of the Girls League took part in a pajama party at the home of Betty Goodrich. The girls brought food of all kinds, ranging from cake to dill pickles.

The deadline for the arrival was set at 11 o'clock. Most of the girls were on time but as usual, there were some stragglers.

(cont)

Everyone was there by midnight, though.

We had an early breakfast at 2 o'clock Saturday morning, after which our chaparone, Mrs. Sanford, went home (she said we were behaving so well, and besides she wanted to get some sleep).

Until 5, everyone sat around and talked, then we decided to go to bed. Some of us got about an hour of sleep, some more, while others got less. Most of us got up about 7:30 and made preparations to go home. The last to leave Betty's house left about 10 o'clock that morning. We did not get much sleep but we had a lot of fun.

Beverly Summers

CHRISTMAS BALL

The traditional Christmas Ball was held by the Senior Class on December 17. It was a grand affair and the Gymnasium was very beautifully decorated, centering around the theme "Star of the East". The red and white ceiling was periced by an enormous spruce tree that was gorgeously decked out in it's Christmas ornaments. The walls were covered with holly and evergreen.

The music, as good as the decorations, was furnished by Elmer Littlehales and his orchestra.

Although the crowd was not very large, those who did attend seemed to have an enjoyable time that they will never forget.

Dale Cochran

The Sophomore and Junior boys put the mistletoe at the Christmas Ball to good use.

NEWSPAPER

The Warrior is published by the Junior Class and it is published every other Friday of each month if possible.

The paper has been mimeographed and stapled together in a book form.

This paper tells about everything the classes have done in the past month. It keeps the students aware of all the things that have happened in school.

We wish to thank the advisor, Mrs. Theodora Gibson and the Paper Staff for the good work this year.

The Staff includes:

Editor	Beverly Summers
Asst. Editor	Gary Walker
Business Manager	Loren Marsh
Art Editor	Arvella Karnes

MIRACLE

We'd like to met the judge that out talked Mr, Dent \$33.00 for a speeding fine in route to Union.

Paper Staff

Radio Club

RADIO CLUB

The Radio Club was organized by a group of students interested in producing a radio broadcast put on by the High School.

On November 5, the first of a series of broadcast "Warrenton Hi on the Air" was presented over KAST. The program was presented weekly, sponsored by the Warrenton Theater, until the end of December.

From then, until the first of March the program was sponsored by a group of business establishments of Warrenton.

There was a thrill about all the hustle and bustle of the students, as they planned and wrote up the script, a thrill in the tense last minutes before going on the air, the scramble to find the right script, and the nervous movement of the singers, a thrill to be on the air, hoping and praying not to make a mistake or run short of material. It was always enjoyable after the broadcast to tell how frightened they were, what mistakes were made and to meet friends on the street and hear their comments on the program.

The Radio Club felt that it could not continue to broadcast, yet it stayed intact to carry on some of it's activities.

BIG LAUGH

The jokes told on the Christmas Broadcast didn't go over but the material did, the mikes were dead and the program off the air five minutes before the cast knew it and quit speaking.

Senior Service Club

Volley Ball Team

VOLLEY BALL

The girl's volleyball team of '49 could not have been more successful. The girls all showed courtesy and good sportsmanship in all of their games, thus the season turned out perfect.

The season closed with seven victories and no defeats for an average of 1000. As this is a perfect record we could hope for no more.

In spite of losing three seniors, Betty Goodrich, Beverly Scrimsher, and Velma Kerr, the coming team has a chance of doing as good and we hope that they do.

The captain was Betty Goodrich and Beverly Scrimsher was co-captain, our coach was Miss Betty Jean Waite.

Scores for the games are as follows:

Warrenton	40	Nehalem	32
Warrenton	38	Nehalem	16
Warrenton	40	Nehalem	18
Warrenton	58	Bay City	18
Warrenton	46	Westport	34
Warrenton	45	Jewell	17
Warrenton	35	Westport	28

SOFTBALL

The girls did not get quite as good a start in softball as they did in volleyball. We have played one game so far with Nehalem and lost with a score of 5-11. Three games are scheduled with Nehalem, Westport and Knappa-Swensen.

The team is made up by Julie Olsen, Beverly Scrimsher, Nancy Hensley, Pearl Klien, Elfrieda Wildgrube, Betty Goodrich, Gladys Nygaard, Delores Wallace and Johnna Ward.

Student Council

Glee Club

STUDENT BODY

Early in the school year a movement got underway for an improvement over the last few years Student Body Government. Under very able leadership a great change came to Warrenton High School.

Sidney Stuller, an ambitious Senior, was elected Student Body President, Loren Marsh was elected Vice President, and Nellie Nichols, Secretary, both being capable Juniors.

President Stuller appointed a committee to write up a new constitution for Warrenton High School, immediately. A constitution was written, and adopted by the Student Body.

The main issue which pressed the Student Body was that of paying it's small debt. The Carnival was presented April 8, to take care of this matter.

The Student Body carried on many other activities indirectly through the lesser organizations.

STUDENT COUNCIL

The Student Council under the careful, guiding eye of Student Body President Sidney Stuller started off the year with nine members. Because of the heavy load to be carried, it was enlarged to thirteen members by having a girl and a boy representative from each class one of which was class president.

The Council has been very active all year taking action on all matters put into their hands.

con't

The whole Student Body takes pride in the fact that in the past years, the name "Student Council", was just a figure-head with no meaning whatsoever, but this year it has changed.

Early in the fall the leaders worked on the idea of making the school government a democracy.

A great reform came to Warrenton High School and it is hoped that the students of the future will keep the good work up, working always for the improvement of Warrenton High.

Dale Cochran

LETTERMAN'S CLUB

At the beginning of the year the letterman's club was once again organized. Officers elected were President, Howard Jensen, Vice President, Don Whetsell, and Secretary Bud Plummer.

Following football season several new members where initiated into the club. For initiation, those students had to parade in front of spectators during half time of a volleyball game, wearing long legged underwear, one hip boot, while their hair was in pin curls.

Next year it is planed to develope the club into a well organized group, that will be of service to the school and to the members.

New members in the club for the year of '48and '49 are: Sidney Stuller, Russel Packard, Loren Marsh, Bud Ragland, Gary Walker, Elmer Plummer, Bill Lordos, Harley Crowder, Dewey Dunn, Keith Dyer, Don Hawks and Dick Ford.

Pep Club

Lettermen Club

PEP CLUB

The school year of '48-'49 started off with a bang. Everyone seemed willing to do their best in promoting and selling the work of the Pep Club to the Student Body and the Townspeople of Warrenton.

The Club now consists of seventeen members. This is the first time in the history of the Warrenton High School Pep Club, that a boy has belong to it. Bob Wilson was elected yell leader and he automatically became a member.

Coach White was advisor for the Club and has done a wonderful job.

SCHOOL CARNIVAL

The Warrenton High School Carnival was postponed three times and was fimally set for April 8, 1949.

Tickets for the Carnival Queens were sold by all classes. Virginia Christinsen was the candidate for the Freshman class, Pearl Klein, Sophomore, Nellie Nichols, Junior and Shirley Magnuson for the Senior Class.

On Friday night, April, 8, the carnival, in a brightly decorated gym, got under way. The crowd gayily kept going until the Queen ticket were all counted.

About ten o'clock the Queen's procession moved across the gym floor, led by the Carnival Queen Virginia Christinsen. She was crowned by Mr. Bjorkman, the Chairman of the School Board.

About 11:30 all that could be seen was where a large crowd had been and had a wonderful time.

John Byrd

STUDENTBODY ELECTIONS

Election week for Studentbody officers for the year 1949-50, was from the 9th to the 13th of May.

At 8:00 Friday evening Loren Marsh was installed as the Studentbody President for next year.

Sidney Stuller, the President during the previous year was presented with a clock, by the Studentbody.

James Hudelson was elected Vice President. Nellie Nichols was reelected Secretary, Gladys Nygaard was reelected Treasurer and Bill Lordos was again elected Scargent at Arms.

AWARDS

Awards given out to the Seniors on May 26, at Commencement were for Schdastics, Sidney Stuller, Most Athletic Bill Hayes, for Activities, Betty Goodrich and Dale Cochran as the All Around Student.

JUNIOR CLASS PLAY

As the first really big event of the school year the Junior Play was welcomed by all as a pleasant change from the usual routine of movies.

The play was picked and directed by Superintendent Dorsey E. Dent. It was a three act comedy entitled "Don't Darken My Door", being upper classmen many of the cast had the advantage of appearing in plays before. Don Whetsell who is well remembered by his roll in our freshman play "Tom Sawyer" took the lead again and did a wonderful job of portraying Tom Gerrick a would be romantic hero of twenty five. Loren Marsh, better known for his singing, rather than acting, took the part of Roger Kent, a middle aged bachelor. The part of Rosemary Kent, his romantic neice, was played by Arvella Karnes. Gloria Nichols did a swell job portraying Jane Perkins, a writer of romantic novels. Naomi Bridges, took the part of Poppy, a serving girl in the Kent household.

The parts of the two old maid neighbors, Miss Susie and her sister Louise Featherstone were aptly played by Beverly Summers and Nellie Nichols.

If an award was to be given for courage, it would surely go to Bud Ragland who took over and played Alec Stubbins, the hired man, just one day before the play was presented.

Everyone more than upheld their part and the play was said to be one of the best in the long record of good entertainment at Warrenton High School.

They said they didn't practice the kissing scene. It looked like proffesional job to me.

PHIDIPPIDES
HERCULES

ATHLETICS

TRACK

Warrenton High School track started out with a bang on April 1, when the big number of two men turned out.

They were John Byrd, running the 100 yard dash and two twenty, and Ronnald Marsh for the mile.

Night after night they would struggled around the track. Finally on May 7, John Byrd the one man team from Warrenton and Coach White started to the Clatsop County track meet which was held at Astoria.

Warrenton placed second in the 100 yard dash but was given to Astoria, with Seaside Winning.

In the 220 yard, Warrenton placed third and Seaside took first and second.

Seaside took the track meet with 64 points and Astoria 58 points.

FOOTBALL

The Warrenton Warriors having joined the Tidewater League for our first year in eleven man football were considered the weak sister of the League.

On September 24, 1948, the Wheeler Loggers were given a rude suprise when on the second play, after a recovered fumble, Hart raced to a touchdown. The game ended, Warrenton 30, Wheeler-0.

On October 1, the Warriors went on their first game on the road to Nehalem. In a rough and tough game the Warriors

emerged victorious by a score of 32-6. The rest of the league began to realize the Warriors were not the weak sister.

October the 8th the Warriors again went on the road to Garabaldi, where they easily defeated the Garabaldi eleven by the score of 25-0.

Again on the road, the Warriors traveled to Nestucca on October 15 to win a thrilling game in the last quarter by the score of 7-0.

The last game of the season on the Warrenton field was for the District Championship with Sacred Heart Academy of Tillamook. The Warriors scored first on a field goal by Bill Lordos, But then the Academy took the play away from the Warriors and won easily 33-3.

Elmer Plummer &
James Hudelson

BASEBALL

After the end of a successful basketball season, we started baseball. Our first game of the season was with Clatskanie who we defeated 11 to 0. John McDermott pitched a no hit no run game for the Warriors and got 17 of the Tigers via the strickeout route.

In the second game we beat Jewell 15 to 0 with Bill Hayes pitching a two hitter for the Warriors.

In the third game with John McDermott again on the mound for the Warriors, we defeated Astoria 6 to 2 with McDermott pitching a 2 hitter.

We met Westport next beating them 5 to 2 behind the

tight pitching of Bill Hayes. This is the game we lost our ace hurler, John McDermott, when he broke his collar bone.

The next game was a walkaway, the Warriors beating Star of the Sea 28 to 7.

We then played a non league game with Garibaldi defeating them 18 to 1.

Next we journeyed to Knappa Swensen and defeated them 7 to 2.

In our 8th game of the season we defeated Jewell 14 to 3.

For the Second time this season we defeated Clatskanie. This time 7 to 6, in a close game.

Knappa-Swensen knocked the Warriors from the unbeaten ranks, by defeating them 11 to 10.

The Warriors still burning from the defeat handed them by Knappa-Swensen turned on the power and defeated Westport 25 to 1.

The Warriors edged Star of the Sea 6 to 5 in a close game.

In the semi district playoff the Warriors edged the Banks Braves 5 to 3 in a tight game. Hayes was the winner, going the route for the Warriors and Stricking out 11.

Early this year I heard a member of the Senior Class state that the annual this year would be a lot bigger and better than in the past.

It IS, bigger and——well as I was saying it is bigger than any we know of that was put out by this high school.

I also wish to thank the Annual Staff for their support and help in putting this Annual together and making it, I hope, A SUCCESS.

BASKETBALL

The basketball season of 1948 '49 brought four Senior Lettermen and many experienced second string players from the last years quentet. The Seniors who played their last season of basketball for the Warriors were John McDermott, Howard Jensen, Bill Hayes and Sam Moore. The Warriors had a successful season, winning the County Championship. Then the Warriors went on to win the District Play off. Representing District 1 at the State tournament, the Warriors had tough luck losing both games, but the Warriors still showed plenty of fighting spirit.

Miss Waite seems to really go for football, as many of the fans can tell you. She even got into the Sacred Heart game and made a magnificent block.

STATE TOURNAMENT

On February 24th, the Warriors upset Garibaldi High School at Seaside and won the right to represent District 1 at the State B Basketball Tournament at Union.

On Tuesday, March 1st, after a rousing Pep Rally the Warriors started across the State to Union.

The Warriors played their first game on Thursday, March 3rd, against the Union Wild Cats.

The score was close throughout the game, but the Warriors did not play their usual style of ball. The final score was Union 44 Warrenton 34.

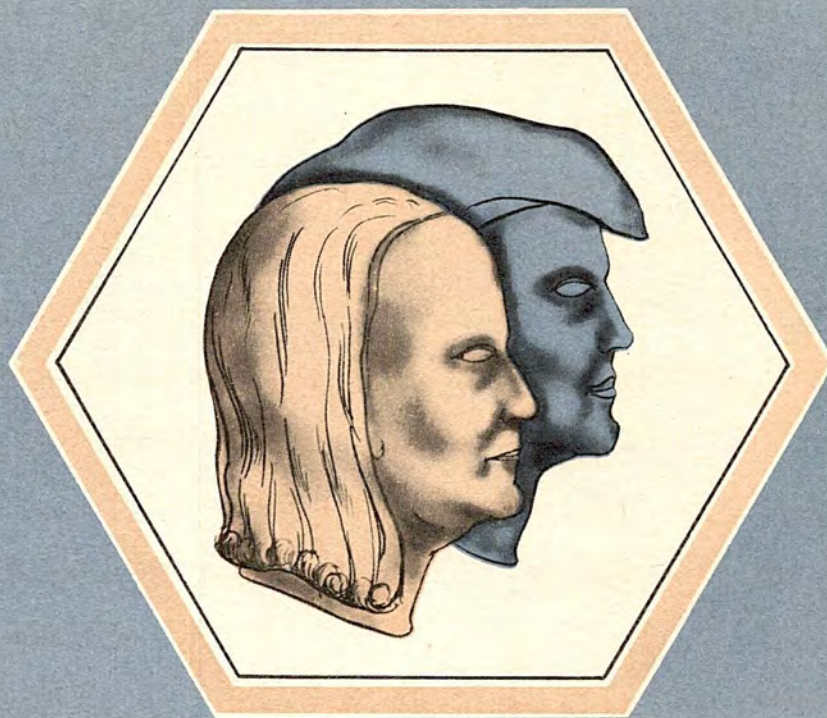

The next day the Warriors met the hard fighting team from Umapine. After a hard fought battle the Warrenton boys were defeated by a score of 43-42.

This being their second defeat in the tournament the Warriors were eliminated.

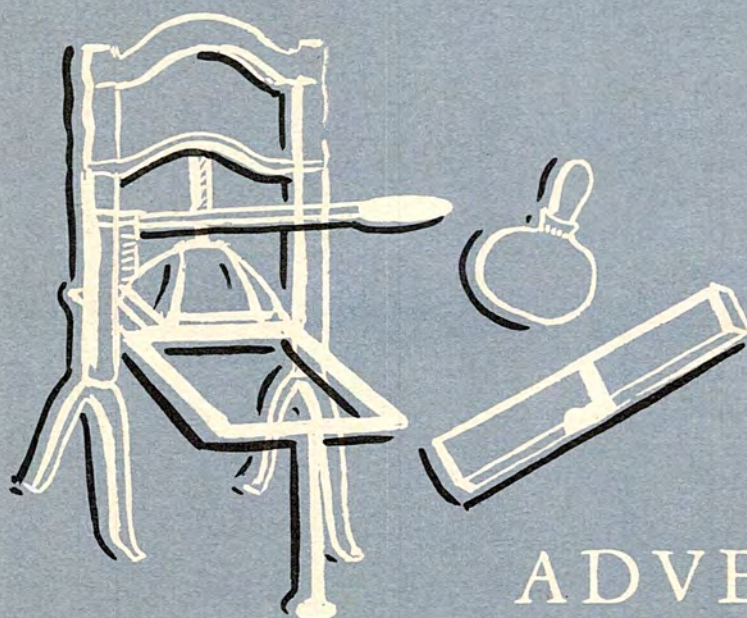

In the finals, Union defeated Alsea to win first place. The order in which they finished were as follows:

1st	Union
2nd	Alsea
3rd	Rogue River
4th	Drain
5th	Fossil
6th	Umapine
7th	Perry Dale
